#### STYLE J545 UPHOLSTERY FABRIC "10 YEAR PERFORMANCE" WARRANTY

Interface Fabrics warrants for a period of ten (10) years from the date of its invoice that upholstery fabric designated as Style J545 (referred to herein as the "Fabric") will not suffer "wear through" in normal indoor seating use by the original end-use customer. "Wear through" means a hole caused by disintegration of the fabric's structure in a particular area as a result of abrasive wear. Should a failure to conform to this warranty appear in the Fabric during the 10-year warranty period, Interface Fabrics, Inc. will repair or (at its option) replace the affected Fabric at its expense, including labor and materials, subject to its receipt of prompt written notice during the warranty period. This warranty does not cover damage, disintegration or loss arising from abuse, misuse, vandalism, burns, cuts, punctures, improper installation or maintenance, use of improper cleaning agents, application of a treatment or finish after shipment by Interface Fabrics, Inc., defects in design or manufacture of seating or furniture, inadequate padding, abrasion from other seating components or furniture, pilling, fading, use in any application other than normal indoor seating, or use subsequent to ownership by the original end-use customer.

EXCEPT AS EXPRESSLY PROVIDED HEREIN, NEITHER INTERFACE FABRICS NOR ITS AFFILIATED COMPANIES MAKE ANY REPRESENTATIONS OR WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, WITHOUT LIMITATION, ANY WARRANTY OF MERCHANTABILITY OR FITNESS OF ITS FABRIC FOR ANY PARTICULAR PURPOSE, INTERFACE FABRICS AND ITS AFFILIATED COMPANY HEREBY DISCLAIM THE SAME. THE REMEDIES SET FORTH HEREIN ARE EXCLUSIVE. LIABILITY OF INTERFACE FABRICS AND ITS AFFILIATED COMPANIES IS LIMITED TO THE ACTUAL REPAIR OR REPLACEMENT OF DEFECTIVE FABRIC AND DOES NOT INCLUDE INCIDENTAL OR CONSEQUENTIAL DAMAGES.

### Upholstery Specifications

Style	J545 Comet
Contents	100% polypropylene
Weight	14.5 ± 0.5 oz./sq. yd.
Size	sold in specific dimensions
Repeat	none
Backing	none

### Cleaning Code

W-5	Fabric may be cleaned with mild, water-free solvents or water-based cleaning agents or foam.
-----	--

### Performance Results

Breaking strength (ASTM D5034)	200 lbf min. -machine direction and 150 lbf min. -cross direction
Tear (ASTM D2261)	30 lbf min. -machine direction and cross direction
Colorfastness to light (AATCC16 Option 3)	40 hrs. min.
Colorfastness to crocking (AATCC 8)	class 4 min. - dry, class 3 min. - wet
Colorfastness to water (AATCC 107)	class 3 min. for staining, class 4 min. for color change
Pilling resistance (ASTM D3511)	class 4 min.
Abrasion resistance (ASTM D4157)	250,000 double rubs -wire screen

### Flammability

State of CA. Tech. Bulletin, 117 SEC. E	passes
UFAC	class 1
NFPA 260	class 1
