

# Environmental Data Sheet ■

Hancock™ Bench

Effective: 02/01/2010

**Product Category:** Lounge

**Certifications:** Greenguard Certified  
CARB Compliant – Phase I

**LEED Contributions:** Recycled Content  
Regional Materials  
Low Emitting Materials  
Renewable Materials

**Program Overview:** FSC Certified Wood

| Programs Include: | Category                     | Credit                                                                                | Contribution                                                        |
|-------------------|------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------|
| LEED BD&C         | Materials & Resources        | Recycled Content - MR 4.1 & 4.2<br>10% or 20% recycled content                        | Post-consumer Pre-consumer %<br>by weight                           |
| LEED ID&C         | Materials & Resources        | Regional Materials - MR 5.1<br>Manufactured within 500 miles of the project location. | Manufactured in:<br>High Point, NC 27260                            |
| LEED OM           | Materials & Resources        | Certified Wood - MR 7<br>FSC-Certified wood products used                             | Certified wood available by request<br>Chain-of-Custody certificate |
|                   | Indoor Environmental Quality | Low Emitting Materials - EQ 4.5                                                       | Greenguard Certified                                                |

## Greenguard Certification:

- Measurements and results indicated below.

|                 | USGBC      | GREENGUARD | GRADE |
|-----------------|------------|------------|-------|
| Formaldehyde    | 0.025 ppm  | 0.025 ppm  | PASS  |
| TVOC            | 0.25 mg/m3 | 0.25 mg/m3 | PASS  |
| Total Aldehydes | 0.05 ppm   | 0.05 ppm   | PASS  |

## Other Attributes:

**End-of-Life Recycling & Reuse:** KI selects materials that can be recycled at the end of a product's use and designs its products so that it can be easily disassembled and separated for local recycling facilities.

**Renewable Materials:** KI has the option to include bio based foam in the seating line.

**FSC Certified Wood:** Option is available by special request.

**No-Added Urea Formaldehyde** – Available upon request.

**Fabrics:** Fabric option is available with this product. Fabrics selections may contain between 0%-100% recycled content. Renewable materials in textiles are also available.
