

Learn2™ Seating

Mobile, adaptable seating that fits student needs and preferences for collaborative and interactive learning environments.

adept

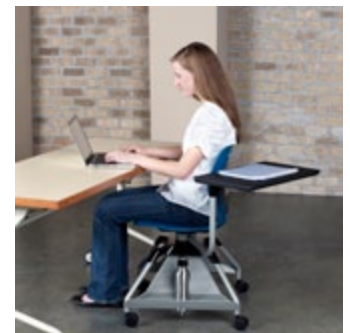

- Adept move-ability – facilitates individual work or small to large group teaming.

flexible

- Ultimate flexibility - fully adjustable, non-handed worksurface and a swivel seat.

student-focused

- Student focused - adapts to each student's personal space and provides customized comfort. Optional accessory storage is easy to access on both the left and right.

Learn2™

Seating

Sleek, simple and sturdy; Learn2 has a timeless visual aesthetic with unmatched durability to endure the rigorous use of learning environments.

- Strive or Wave styles
- Poly or upholstered
- Optional accessory rack with or without cupholder
- Carpet or hard-floor casters or glides

how it moves

- Support arm rotates right/left (220 degrees) to accommodate any preferred position.
