

BUILDING A MODEL NUMBER from a KI Price List

Step 1. Determine which product(s) you would like to order.

Step 2. Locate each item within the KI Price List.

A. Once you have determined which product you wish to order, locate that product in the KI price list and follow the "how to build a model number" instructions, which are located in all of KI's price lists. **2A**

B. Price lists are located at ki.com

Step 3. Using the price list, build a complete model number.

A. The indicates that a choice is required. The absence of the indicates that no choice is required. **3A**

Step 4. Using the price list, determine the list price.

A. If any options will increase the price, the upcharges will be noted. **4A**

B. To determine the available finish options by product, refer to the color addendum available at ki.com or in the KI Price List Binder. To view samples, refer to the KI Fabrics & Finishes binder. **4B**
